

Spotlight Session: Introducing RMI's Catalytic Procurement Report

*Josh Henretig
Managing Director, RMI*

Catalytic Procurement: How Corporations Can Lead the Green Commodity Transition

Josh Henretig

Managing Director, Climate Intelligence

JHenretig@RMI.org

September 2025

RMI is an independent, nonprofit organization of experts accelerating the clean energy transition

Catalytic Procurement: How Corporations Can Lead the Green Commodity Transition

Purchasing to drive corporate climate action and create differentiated, low-emissions commodity markets

Catalytic Procurement: How Corporations Can Lead the Green Commodity Transition

Purchasing to drive corporate climate action and create differentiated, low-emissions commodity markets

Report / September 2025

Corporate buyers have catalytic roles to play:

- Corporate demand makes low-emission projects **bankable**
- **Proven models** power innovative procurement
- Strategic choice of low-emission supply **accelerates** climate-differentiated market

We are supporting corporations to translate commitments into actions, creating both internal and external momentum

- Learn more: access RMI's resources related to low-carbon procurement and stay tuned for our upcoming webinar series
